The amount otherwise payable to a State for a fiscal year pursuant to an allotment under this part shall be reduced if the level of State expenditures, as described in paragraph (2), for the previous fiscal year is less than the average of the total of such expenditures for the 3 fiscal years preceding that previous fiscal year. (II) the denominator of which is the average of the total level of such State expenditures for the 3 fiscal years preceding the fiscal year for which the determination is made.

(ii) Calculation

Any decrease in State expenditures resulting from the application of subparagraph (B) shall be excluded from the calculation of the average level of State expenditures for any 3-year period described in clause (i).

All funds included in the maintenance of effort calculation under this subsection shall be expended during the fiscal year for which the determination is made, and shall not include capital expenditures, special one-time project costs, or similar windfalls.

(3) Waiver

The Director may waive the requirements of paragraph (1) if the Director determines that such a waiver would be equitable due to exceptional or uncontrollable circumstances such as
